

APPLICATIONS

- RO Plant
- Water For Injection
- UF Plant Automation
- Purified Water System
- Process Water System
- Effluent Water Treatment
- Sewage Water Treatment
- DM Water Treatment Plant
- Water Reservoir Pumping Stations
- Hydro Pneumatic Pumping Stations

WATER &
WASTE
WATER

FEATURES:

- PLC Based System
- User Friendly System
- Multi Level Securities
- Ease in Maintenance
- Data Storage & Reports
- SMS Based Control System
- 21CFR PART 11 Compliance Software
- SCADA for Monitoring, Controlling & Reporting

NM AUTOMATION & CONTROL PVT. LTD.
